The Past And The Future

_**

I look up at the moon

Wandering about the past

The Silver Millennium

Moon Princess, Sailor Moon

I look at my engagement ring

I wander about the future

1000 years of sleep

Crystal Tokyo, Neo-Queen Serenity

What's to come and what's have come

Peace, Love, Evil, War

We've dealt with this before

So why am I so worried

When I know the outcome

My destiny awaits me

I take one last look of the past

And head off to the future.
